

Ancient Temples

As suggested by the Holy Bible and the A.R.E. video entitled *Entering the Temple Within* by John Van Auken (Version 0.1)

Ancient temples correlate to the temple of the human body.

The Great Pyramid Timeline

Edgar Cayce:

“All changes that came in the religious thought in the world are shown there [in the pyramid chronology], in the variations in which the passage through same is reached, from the base to the top – or to the open tomb and the top.”
–5748-5

The Great Pyramid Timeline

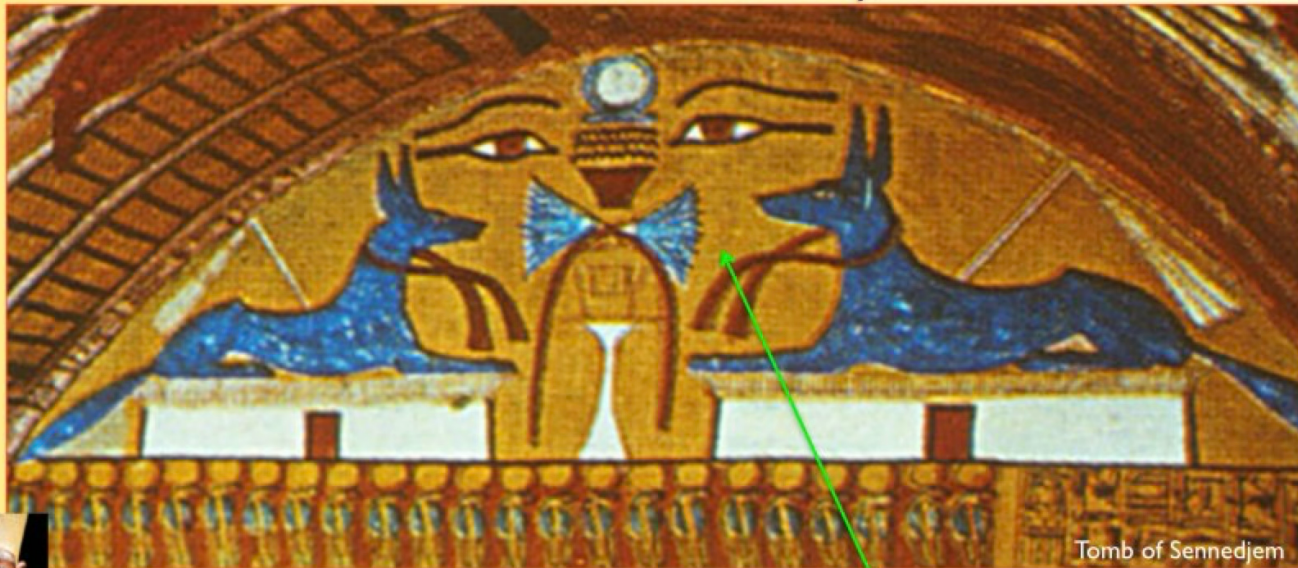

“Giza is the place of the initiates and their gaining by personal application, and by the journeys through various activities.

A soul becomes conscious, aware, of its contact with the universal-cosmic-God-Creative forces in its experience by feeding upon the food, the fruits, the results of spirit, of God, of Life, of Reality: Love, hope, kindness, gentleness, brotherly love, patience. THESE make for the awareness in the soul of its relationship to the Creative force that is manifest in self, in the ego, in the
I AM of each soul, and of I AM THAT I AM.”

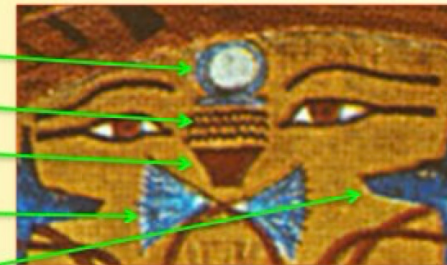

–378-14

"The body is, as so many teachers have claimed throughout the ages, a temple of the living God. And, as with all temples [Hindu, Buddhist, Egyptian, Mayan, Hebrew, and so on], the body-mind temple is a sanctuary. This is where the real communion takes place." And the mind, the deeper mind, is the link: "Your body is the temple of the living God, your mind is the connecting and communicating link with the Divine, through which you may ever receive the answer, if you will but harken." (2174-2)

The Secret Place of Heaven *Is Between our Two Eyes*

- Bringing Eternity & Temporality together
generates white Light
- White Light causes the Water of Life to flow
- The Water of Life fills our cup*
- Water of Life opens Lotuses, releasing the Scent of Heaven
- Anubis, the guide through the unconscious mind,
using the Lotus scent to pick up the trail to Heaven.

*As in the 23rd Psalm, "My cup runneth over."
